Dear Parents, Carers and Community Members,

Open Day
The day was filled with celebration of public education and highlighted our school’s strengths, talents and close partnerships with our community. I know I speak for all when I say we could not have been prouder of our students. Thank you to our dedicated staff, who, led by Mrs Kathy Regan, delivered an inspiring and uplifting assembly. The presence of our special guests was the crowning glory.

The Tell Them From Me student feedback survey
I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the Tell Them From Me student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices. More information about the survey is available at: http://surveys.cese.nsw.gov.au/information-for-parents

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the Tell Them From Me survey to help improve how they do things at school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 17th August and 16th October.

Participating in the survey is entirely voluntary. A consent form and FAQs for parents/carers about the survey will be being home with students later continued ...
Principal’s Message continued

in the term. If you do not want your child or children to participate, please return the form to school. Copies of the form and FAQs are available from the website on the previous page.

The Partners in Learning parent feedback survey
Our school will also be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents’ and carers’ perspectives on their child’s experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school’s support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 17th August and 16th October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated. More information about the survey is available at: http://surveys.cese.nsw.gov.au/information-for-parents

I will be at the North Coast Principal Conference, leaving at lunchtime on Wednesday. Mrs Regan, Mr Haste and Mr McGrath will share the principal duties and responsibilities.

Kind regards,

Christine Wild
Principal

Soccer Knockout Competition

Our girls and boys soccer teams were both fortunate enough to move onto the next round of the soccer knockout after beating Laurieton Public School in Round 2 late last term.

Both teams were then up against Tacking Point PS in Round 3. Unfortunately the boys went down 6-0 with a fight! The girls were lucky with Chelsea Hall scoring a goal early in the first half. We then went on to keep out the other team from scoring a goal and our backs fought hard finishing on top with a 1-0 victory.

Last week we played Round 4 against Wauchope PS. We fought very hard to keep Wauchope away from the goals but they proved too good, beating us 5-0. Player of the match went to our goalkeeper captain Molly Walters. She saved at least 8 more possible goals from Wauchope!

All girls put 100% effort into the game and displayed brilliant sportsmanship while having fun on the field!

Book Fair

A huge thank you to the families who supported our Book Fair on Friday. What a wonderful success! Over $4000 was taken on the day, of which the school receives a commission. I’m sure our students will enjoy the new books we will be able to buy.

Thank you for your support. Happy Reading!

Library News

Sports News
We certainly enjoyed a wonderful day last Friday as the school community came together to celebrate Education Week within the theme of Celebrating Local Heroes.

Our students once again showed their enthusiasm and best efforts in the roles of audience and performers during the assembly, and as learners when back in the classroom with families visiting. Teachers and students spend many hours preparing for group performances and the product of this work was evident in the wonderful presentations from the choir with Mrs Bruggemann, Junior and Senior bands with Mrs Skerritt, Year 2 and Year 6 dance with Ms Dennis and Year 4 dance with Mrs Egan.

The Book Fair was another resounding success thanks to the efforts of Mrs Eggins. Many students were proud owners of new reading material after their visit to the library.

Our guest speaker Ms Jane Goldsmith, ex NHPS student and current NBN news reporter, spoke of her experiences at NHPS and recalled some of the things that had influenced her choice of career. She referred to our school motto “The Future is Ours” and encouraged everyone to pursue their dreams. Jane’s enthusiasm and inspiring words certainly left an impression on the students.

Other guests who joined our assembly were the volunteers who work within the VITAL and Kids Hope programs supporting learning skills and wellbeing for individual students.
Open Day continued

Certificates were presented to Mr Warwick Levy, Mrs Robin Richardson, Mr Ian Richardson, Mrs Lola Milson, Mrs Jenny Tinsley, Mrs Annette Jeffery and Mrs Neroli Baker-Hunt. (Absent from this group on the day, but still acknowledged for their efforts were Mr Steve Schouten, Mrs Roxanne Fagan, Mrs Sue Miles and Mrs Elaine Bani-Ardalan).

We think of the school as a local hero in itself, always working in the best interests of each child, finding ways for each individual to be the best he/she can be. The openness of the staff to be in partnership with parents, tutors, students and volunteer mentors, is exemplary in a school community. We feel privileged to be able to be a part of the North Haven School community. A big thank you!”

Well done again NHPS – the future truly is ours with such a wonderful school community of students, staff, families and volunteers.

Mrs Regan

In response to our acknowledgement Mrs Richardson spoke on behalf of all the volunteers from the VITAL and Kids Hope programs when she sent this message:

“We felt very honoured to be asked to join the school community for the Friday assembly as you celebrated ‘local heroes’ in Education Week.
