Principal’s Message

Dear Parents, Carers and Community Members,

3 Way Conferences
Next week will see the introduction of this format for teachers, students and families to share information and plans to support students in achieving their best. This opportunity will continue to enhance the strong, productive partnerships that already exist between home and school. You will receive confirmation of your session time, and upon arrival at school, please come to the office where you will be directed to the meeting place for you and your child.

Fete
Excitement is building and offers of help are starting to roll in. If you are able to offer assistance either before or on the day please contact Pauline Hearne and/or Karen Daniels. The stall roster is still displayed in the foyer for you to consider and lock in.

Welcome To Our School for 2016 Kindergarten
We have had a great response to enrolments for next year’s kindergarten. There may still be families without children already at this school that have not contacted us. If you have any new families in your neighbourhood who have not made contact could you please let them know our orientation program will be beginning next week and we would like to include them on our communication list.

As we have to declare our student numbers for next year in the coming weeks, as accurately as possible, if you know that you are leaving our school could you let the office know so we can adjust our numbers accordingly. Likewise if you know of any families moving into our area and intend to enrol at our school we would appreciate that information too.

It is hard to believe we are already having to consider next year but even harder to believe how quickly this year is whizzing by. I am looking forward to seeing many of our families over the coming fortnight.
Principal’s Message continued

We have identified a possible issue with families who receive the newsletter electronically. If we include attachments that need returning it may be difficult for you to print out at home. If we have anything that may need signing and/or returning we will ensure a hard copy goes home to all families. This will start next week. Just a reminder that if at any time you wish to change your preference of how you receive the newsletter just let Mrs Gilman know in the office and we will accommodate your needs.

Kind regards,

Christine Wild
Principal
