EXPERIENCES IN YEAR 6 - BRINGING THE COMMUNITY INTO THE CLASSROOM

Year 6 were fortunate to have a visit last week from Mr Liam Bulley, Port Macquarie-Hastings Council’s Group Manager for Recreation and Buildings.

Mr Bulley is also father to Taylor (6T) and Maya (3M) and an ex-student of NHPS.

Year 6 have been studying a new Science Unit based on the concepts around Town Planning. Within this unit we have been creating an imaginary development in an area of land along Ocean Drive past Edith Street.

Mr Bulley brought to life some of the aspects we have been discussing in class. He presented a talk and power point which highlighted the guidelines and aspects that council need to consider when developments are proposed. He also talked about recreation areas and how these are developed, maintained and upgraded. The students were told of a council website pmhclistening.com.au/yourvoiceourcommunity which encourages members of the community, including young people, to have a say about proposed council developments, including the upgrade of recreational areas.

Mr Bulley finished his visit by viewing the work the students had put together and talked to each group about their proposed development. We appreciate the information he was able to share with us, the time he took to answer questions and the interest he showed in the student’s efforts.

#### Aussie of the Month

### VALUE OF THE WEEK

**UNDERSTANDING, TOLERANCE & INCLUSION**

#### WORDS ABOUT WELFARE

**BUDDY BENCH**

During the recent SRC meeting the idea of a Buddy Bench for our school was discussed. This suggestion was brought to the meeting by Deegan Vanderveer of 2M. Deegan explained that the idea of the bench was to have a place where students who were feeling lonely could sit and others would be able to see they needed a friend to come and be their buddy.

The SRC all agreed this was a great idea and in keeping with our school values, particularly those of “Care and Compassion” and “Understanding, tolerance and inclusion”. We have established a temporary Buddy Bench in the playground with a bright yellow sign. A special bench, which will be added to the playground later in the year, will become the new Buddy Bench.

Thanks Deegan for bringing this idea in to our school.
