VISION: North Haven Public School, in partnership with our community, promotes and provides a dynamic, future-focused learning environment fostering equity and excellence. Our school will deliver opportunities for every student to become a successful learner and a caring, confident, creative individual.

PRINCIPAL’S MESSAGE

Dear parents, carers and community members,

Family Conferences
Information and booking times will be coming home shortly. This is a very important opportunity for our students, families and teachers to forge stronger partnerships focused on improving, supporting and nurturing the educational achievement and aspirations of our students.

Please respond to the request for your preferred times as soon as you can. A confirmation of your appointment time will be returned to you, promptly.

Sporting Achievements
There is no doubt the North Haven Public School flags are flying high above the district as we send several students on to the next level of swimming and had many boys successfully chosen for the district rugby league team.

As always the standard of sportsmanship, team spirit and sporting prowess are at the very highest levels. At the moment there are many staff members giving up their break times to coach and mentor students in a variety of team sports. Their dedication to our students is a strong contributing factor to our school’s sporting success.

I will be in Sydney on Monday afternoon through to Wednesday evening attending Primary Principal Association State Council in my role as our association’s delegate. Mr McGrath, Mr Haste and Mrs Menzies will share relieving principal responsibilities.

Kind regards,
Christine Wild
Principal

**Student of the Week Awards**

These awards, in the form of a ribbon, are presented to one child from each class, during the separate stage assemblies each week.

Student of the Week Awards are presented to students who have shown good citizenship practice in the classroom and who have been working in a sensible manner with their school work. Each class group and their teacher may take a slightly different approach to the selection of the student and the way in which their award is recognised in the classroom depending on the grade and the nature of the class. It is hoped that by the end of the year each student in the class will have displayed the traits necessary to receive this award (some may earn it more than once).

While there may be many eligible for the award each week we limit the number to one per class so as not to distract from the value and merit of earning this recognition.
